

We cordially invite you and your friends to the opening of the exhibition "Lynn Hershman Leeson. Civic Radar" at ZKM | Karlsruhe on Friday, December 12, at 7 pm.

# LYNN HERSHMAN LEESON

Lynn Hershman Leeson is among the first and most influential media artists. Over the course of the past four decades she has produced pioneering work in the fields of photography, video, film, performance, installation as well as interactive and new media art.

In close collaboration with the artist, ZKM | Museum of Contemporary Art is proud to present the first retrospective of Lynn Hershman Leeson's work. Curated by Peter Weibel and Andreas Beutin, the exhibition provides an overview of the different creative phases in Hershman Leeson's artistic career and presents, in addition to rarely shown early works, the most recent of this innovative artist's productions.
